

SUPPLEMENTARY ESTIMATES OF APPROPRIATIONS,
TREASURY DEPARTMENT, 1939

COMMUNICATION

FROM

THE PRESIDENT OF THE UNITED STATES

TRANSMITTING

SUPPLEMENTAL ESTIMATES OF APPROPRIATIONS FOR THE TREASURY DEPARTMENT FOR THE FISCAL YEAR 1939 AMOUNTING TO \$5,381,950

FEBRUARY 16, 1939.—Referred to the Committee on Appropriations and ordered to be printed

THE WHITE HOUSE,
Washington, February 16, 1939.

THE SPEAKER OF THE HOUSE OF REPRESENTATIVES.

SIR: I have the honor to transmit herewith for the consideration of Congress supplemental estimates of appropriations for the Treasury Department for the fiscal year 1939 amounting to \$5,381,950.

The details of these estimates, the necessity therefor, and the reasons for their transmission at this time are set forth in the letter of the Acting Director of the Bureau of the Budget, which is transmitted herewith, with whose comments and observations I concur.

Respectfully,

FRANKLIN D. ROOSEVELT.

BUREAU OF THE BUDGET,
Washington, February 15, 1939.

THE PRESIDENT,
The White House.

SIR: I have the honor to submit herewith for your consideration supplemental estimates of appropriations for the Treasury Department for the fiscal year 1939 amounting to \$5,381,950. The esti-

mates of appropriations with comments upon the necessity and reasons therefor, are as follows:

BUREAU OF INTERNAL REVENUE

Refunding internal-revenue collections, 1939----- \$3, 800, 000

The amount of this estimate is required to refund to taxpayers, during the fiscal year 1939, such internal-revenue collections as are determined to have been erroneously or illegally assessed and collected.

COAST GUARD

Outfits, Coast Guard, 1939-----	\$142, 200
Rebuilding and repairing stations, etc., Coast Guard, 1939-----	1, 247, 700
Communication lines, Coast Guard, 1939-----	72, 700
Repairs to Coast Guard vessels, 1939-----	28, 000

The purpose of these estimates is to provide funds for repairs to and for the replacement of Coast Guard stations, facilities, and equipment which were damaged or destroyed by the hurricane which occurred in the New England area on September 21, 1938.

PUBLIC HEALTH SERVICE

Pay of other employees, Public Health Service, 1939-----	\$40, 350
Maintenance, National Institute of Health, 1939-----	51, 000

The purpose of these estimates is to provide funds for salaries of maintenance personnel and for operation and maintenance expenses for the National Institute of Health at Bethesda, Md. No estimates for these purposes were included in the 1939 Budget because it was not known at that time when the buildings at Bethesda would be completed and ready for occupancy.

The foregoing estimates of appropriations are required to meet contingencies which have arisen since the transmission of the Budget for the fiscal year 1939 and their approval is recommended.

Very respectfully,

F. J. BAILEY,
Executive Assistant,

(For and in the absence of the Acting
Director of the Bureau of the Budget).
